DESCRIPTION

The Nexus Quarter Circle with Back is created from an outdoor resin weave material in a neutral Driftwood weave color woven over a powder coated aluminum frame. This is a unique, one-piece curved armless lounge for use with other pieces in the Nexus Modular Collection. It can be paired with straight pieces or more curved pieces to create a serpentine effect. Or, 4 of the quarter circles can be combined to create a complete circular lounging area. Fill the center with 4 Quarter ottomans and you have yourself a complete round bed.
