

AE2645CT — Airi 45-Gallon Trash Receptacle with Side Door and Built-In Top

45-gallon steel and aluminum receptacle with side door, built-in top, plastic liner and rubber feet

Material

The receptacle is 46.72" tall and is composed of heavy-duty 12-gauge steel panels with an extruded aluminum frame. The side door features a magnetic door latch, a continuous geared hinge and a tamper-resistant cam lock and key system. The built-in canopy style top is 16-gauge steel with 9.63" tall x 22.01" wide front and back openings.

The receptacle is designed to be portable for flexibility in placement or surface mounted using pre-drilled holes inside base to prevent movement. The rubber feet are adjustable to assist in leveling the receptacle. The reusable plastic liner is made of high-density polyethylene. Mounting hardware is not included.

Finish

Fade-resistant, powder coated steel and aluminum components feature a state-of-the-art primer proven to prevent rusting. Treated components exceed the industry standard by 34% in testing by independent sources.

Color

See website or sales representative for color choices.

Assembly

The receptacle ships fully assembled and ready for use.

Maintenance

The product is virtually maintenance-free and requires only periodic cleaning with a sponge and a solution of mild detergent and water to remove surface dirt. Do not clean with solvent or petroleum base products.

Warranty

20-year limited structural warranty with 7-year finish warranty against fading from the date of purchase. See full details on multi-year warranties for components at
