

AE2690STX— Airi Stix 6' Flat Bench

6' perforated steel flat bench with stix pattern seat and cast aluminum legs

Material

The 6' flat bench is composed of a 10-gauge perforated steel seat with cast aluminum legs. The seat features a unique architectural perforated stix pattern inspired by trees. The bench seat is 72" long and will support 200 lbs. per linear foot.

The bench legs have predrilled .33" diameter holes for surface mounting to prevent movement; mounting hardware is not included.

Finish

Fade-resistant, powder coated steel and aluminum components feature a state-of-the-art primer proven to prevent rusting. Treated components exceed the industry standard by 34% in testing by independent sources.

Color

See website or sales representative for color choices.

Assembly

The bench requires some assembly. Stainless steel assembly hardware is included.

Maintenance

The product is virtually maintenance-free and requires only periodic cleaning with a sponge and a solution of mild detergent and water to remove surface dirt. Do not clean with solvent or petroleum base products.

Warranty

20-year limited structural warranty with 7-year finish warranty against fading from the date of purchase. See full details on multi-year warranties for components at
