

**AE26T60LF— Airi Leaf Chair**

**Perforated aluminum chair with leaf pattern seat and back and cast aluminum frame and legs**

**Material**

The Leaf chair is composed of 10-gauge, 5052-0 aluminum alloy with cast aluminum frame and legs. The seat and back features a unique architectural perforated leaf pattern.

The 34.75" tall chair will support 200 lbs. per linear foot. Each foot features a nylon glide to protect your floors from scratching. The chairs stack up to four high for easy storage.

**Finish**

Fade-resistant, powder coated aluminum components feature a state-of-the-art primer proven to prevent rusting. Treated components exceed the industry standard by 34% in testing by independent sources.

**Color**

See website or sales representative for color choices.

**Assembly**

The chair ships fully assembled and ready for use.

**Maintenance**

The product is virtually maintenance-free and requires only periodic cleaning with a sponge and a solution of mild detergent and water to remove surface dirt. Do not clean with a solvent or petroleum base products.

**Warranty**

20-year limited structural warranty with 7-year finish warranty against fading from the date of purchase.
