

AL1990WB — Allure Bamboo 6' Flat Bench, Wall Mount**6' wall-mount flat bench with bamboo and aluminum planks, surface mount bracket****Material**

The 6' flat bench is composed of 1" x 2" bamboo seat planks, aluminum accent planks and steel under supports. The bench is 72.50" long and will support 200 lbs. per linear foot.

Includes surface mount brackets designed to mount the bench to the top of a wall. Wall must be a minimum of 8" wide.

Surface mounting is required; mounting hardware is not included.

Mature exterior grade bamboo is selected from sustainably harvested sources and engineered into planks using low V.O.C. adhesives. Planks feature a Janka hardness rating of 1450 that is superior to teak. Bamboo has 20% more stability in climate and temperature changes than commonly used timber. Bamboo has a Class A fire rating—ASTM E 84 Surface Burning.

Finish

Fade-resistant, powder coated steel and aluminum components feature a state-of-the-art primer proven to prevent rusting. Treated components exceed the industry standard by 34% in testing by independent sources.

Bamboo planks feature a UV-resistant stain.

Color

See website or sales representative for color choices.

Assembly

The bench ships fully assembled and ready for use. Assembly includes stainless steel hardware.

Maintenance

See annual maintenance program.

Warranty

10-year limited structural warranty on bamboo with annual maintenance program from the date of purchase. See full details on multi-year warranties for components at
