Cape Cod

Seaside

30

The Jayhawk Plastics Cape Cod Chair was built with comfort in mind. Made with a 5 slatted configuration in the back, this chair reflects the traditional style of your everyday Adirondack Chair. The entire chair is made from Jayhawk's Resinwood making the chair maintenance free. The entire product is UV stabilized to protect against fading. The hardware used is Marine Grade Stainless Steel, an industry first.

The Jayhawk Plastics Seaside Chair was built with extreme comfort in mind. Made with a 6 slatted contoured back, this chair reflects the traditional style of your everyday Adirondack Chair however, much more comfortable than a traditional chair. The entire chair is made from Jayhawk's Resinwood making the chair maintenance free. The product is UV stabilized to protect against fading. The hardware used is Marine Grade Stainless Steel, an industry first.
