**Material**

The 60-gallon double receptacle is composed of melamine resin thermally fused to .75" thick multidensity fiberboard. Each receptacle includes a 3" black kick plate and a plastic drip tray. Each receptacle features large 17.75" x 8.75" push doors for easy waste disposal and stainless steel tray rails. Custom door messages include: "Trash Only", "Cans Only", "Paper Only", or "Thank You" and are available in Black or White. The doors are also available with no message.

The reusable plastic liners are made of black high-density polyethylene.

The receptacle is designed to be portable, allowing for flexibility in placement and is intended for indoor use only.

**Finish**

The melamine resin is thermally fused to .75" thick multidensity fiberboard and is available in a wood grain laminate or plain grey finish.

**Color**

The receptacle and matching push door are available in Birch, Cherry, Oak, Walnut, or Gray.

**Assembly**

The receptacle arrives fully assembled and ready for on site placement.

**Maintenance**

The product is virtually maintenance-free and requires only periodic cleaning with a sponge and a solution of mild detergent and water to remove surface dirt. Do not clean with solvent or petroleum based products.

**Warranty**

This product is covered by a 20-year limited structural warranty with a 5-year finish warranty from the date of purchase.
