

CR2780R — Coronado Recycled Plastic 6' Contour Bench

6' contour bench with recycled plastic planks with aluminum accents and cast aluminum armrests and legs

Material

The 6' contour bench is composed of 1" x 3.5" (1" x 4" nominal dimensions) recycled plastic vertical planks with aluminum accents and cast aluminum armrests and legs. The armrests have individual right end and left end orientations. The bench is 75.54" long and will support 200 lbs per linear foot.

The bench is designed to be portable for flexibility in placement or surface mounted using pre-drilled .50" diameter holes in feet to prevent movement. Optional mounting hardware is available.

The planks are made of 95% recycled content by weight and are impervious to moisture and corrosion, do not require the application of sealants or preservatives, and will never need painting or staining throughout the product's life.

Finish

Fade-resistant, powder coated aluminum components feature a state-of-the-art primer proven to prevent rusting. Treated components exceed the industry standard by 34% in testing by independent sources.

Color

See website or sales representative for color choices.

Assembly

The bench ships fully assembled and ready for use. Assembly includes stainless steel hardware.

Maintenance

The product is virtually maintenance-free and requires only periodic cleaning with a sponge and a solution of mild detergent and water to remove surface dirt. Do not clean with solvent or petroleum base products.

Accessories

Hold Down Kit

A1004

Warranty

20-year limited structural warranty on recycled plastic from the date of purchase.
