CAMDEN

Make a bold statement with the Camden collection, which will turn heads with Powder-coated color or Faux-wood for natural ambiance. The curved bends in the benches' robust framework swoop around the back of the contoured seat, and the matching tables with attached chairs reflect similar shaping. Its versatile look makes any product from the Camden collection an attractive addition to any environment.

 For Platisol version, see Contemporary series page 50.

 For recycled plastic version, see Green Valley page 86.
