

For the high-end customers that don't want to pay the high-end price. MyTCoat's Advantage Coating is our proprietary coating unique only to MyTCoat. This state-of-the-art coating will not chip, crack or peel. It doesn't have any drips or runs, and it the most durable coating on the market. The Advantage coating come with a 7 year Warranty and is available in 13 Different Colors.

Top Quality

- Proprietary Coating
- Won't Chip, Crack, or Peel
- 7 year Warranty
- 13 Available Colors

When prices is the main factor that will drive you sale, than look to the Industry Standard line. The only product difference between the Advantage Line and the Industry Standard Line is the coating. The Industry Standard line is coated with a Premium Polyethylene Coating that is similar to some of the other brands out there, but much higher quality. 5 year warranty. 8 colors available on tops and seats, and black is available for the frames.

Best Price

- Premium Polyethylene Coating
- Best Price in the Industry
- 5 year Warranty
- 9 Available Colors

Note: Powder Coat Colors
There may be a difference between the colors for different coatings. MytCoat has selected our powder coat colors to match each color depending on the coating applied to the tops and seats of that particular product.

*Frames can match any color
