

## D1156 VERANDA BAR HEIGHT STOOL

plain back bar height stool  
perforated steel seat

### Material

The 46.45" tall plain back bar height stool is made of .88" O.D. steel tubing and the seat is made of 14-gauge perforated steel with a .50" diameter uniform hole pattern. The seat is plastisol coated with an average thickness of .125" and finished with a high-gloss patented TopCoat®. The seat will support 200 lbs per linear foot.

The legs are protected with FusionGuard® rust protection and have plastic glides to protect the floor or supporting surface.

### Finish

TopCoat™ patented high-gloss finish resists UV deterioration, mildew, staining and fading.

The TopCoat finish has been tested to the requirements of ASTM E 1354 and is determined to be in compliance with California Uniform Fire Code 1103.2.1.4.2.

FusionGuard® primer is applied to all of the under supports, providing extreme rust fighting protection and durability. Under supports treated with FusionGuard exceed industry standard by 34% in testing by independent sources.

### Color

This product is available in the following vibrant colors: Black, Blue, Bronze, Brown, Burgundy, Camel, Charcoal, Evergreen, Gray, Navy, Orange, Purple, Red, Sage, Silver, Teal, Vanilla, White, and Yellow.

### Assembly

No assembly is required. The stool arrives completely assembled and ready for use on site.

### Maintenance

The product is virtually maintenance-free and requires only periodic cleaning with a sponge and a solution of mild detergent and water to remove surface dirt. Do not clean with solvent or petroleum based products.

### Warranty

This product is covered by a 20-year limited structural warranty with a 7-year finish warranty from the date of purchase.
