

# F3044 4' Expanded Metal Bench w/Wide Seat & Back Traditional Style Edge, Portable Legs

specification sheet

### Description

4' plastisol coated, expanded metal bench with back and portable legs.

### Warranty

Seven-year warranty from shipping date.

### Maintenance

Product is virtually maintenance-free and requires only periodic cleaning with a sponge and a solution of mild detergent and water to remove surface dirt. Do not clean with solvent of petroleum base products.

### Options

Bench seat/back available in high-gloss patented TopCoat: Red, Burgundy, Black, Brown, Grey, Evergreen, Teal, Camel, Blue, White, Vanilla, Purple and Yellow. Legs available in same colors in a rust-resistant powder coat finish.

### Included Items

Includes stainless steel assembly hardware.

### Typical Specification

Bench shall be 48.19" in length overall with an extra wide 15.19" seat/back. Seat/back shall be 3/4 #9 expanded steel with a diamond shape pattern and feature a traditional style rounded edge. Seat/back shall be plastisol coated with an average thickness of 93 mils and finished with high-gloss patented TopCoat.

Legs shall be 2.38" OD steel tubing protected with FusionGuard rust protection and shall be finished with high-gloss powder coat. Legs shall be portable in design allowing for flexibility in placement.

### Technical Data

TopCoat® -- patented high-gloss finish resists UV deterioration, mildew, staining and fading.

TopCoat® -- tested to the requirements of ASTM E 1354 and determined to be in compliance with California Uniform Fire Code 1103.2.1.4.2.

FusionGuard® -- process that ensures all components of under supports are coated with a zinc-rich primer. Under supports treated with FusionGuard resist rust four times longer than conventional powder coat finishes in independent testing.

### Assembly

Bench requires minor assembly.

### Availability

Ships in 10 business days on quantities of 6 or less.
