

F3050 8' Expanded Metal Bench W/Wide Seat & Back Traditional Style Edge, Portable Legs

specification sheet

Description

8' plastisol coated, expanded metal bench with back and portable legs.

Warranty

Seven-year warranty from shipping date.

Maintenance

Product is virtually maintenance-free and requires only periodic cleaning with a sponge and a solution of mild detergent and water to remove surface dirt. Do not clean with solvent or petroleum base products.

Options

Bench seat/back available in high-gloss patented TopCoat: Red, Burgundy, Black, Brown, Grey, Evergreen, Teal, Camel, Blue, White, Vanilla, Purple and Yellow. Legs available in same colors in a rust-resistant powder coat finish.

Included Items

Includes stainless steel assembly hardware.

Typical Specification

Bench shall be 96.19" in length overall with an extra wide 15.19" seat/back. Seat/back shall be 3/4 #9 expanded steel with a diamond shape pattern and feature a traditional style rounded edge. Seat/back shall be plastisol coated with an average thickness of 93 mils and finished with high-gloss patented TopCoat.

Legs shall be 2.38" OD steel tubing protected with FusionGuard rust protection. Legs shall be portable in design allowing for flexibility in placement.

Technical Data

TopCoat® -- patented high-gloss finish resists UV deterioration, mildew, staining and fading.

TopCoat® -- tested to the requirements of ASTM E 1354 and determined to be in compliance with California Uniform Fire Code 1103.2.1.4.2.

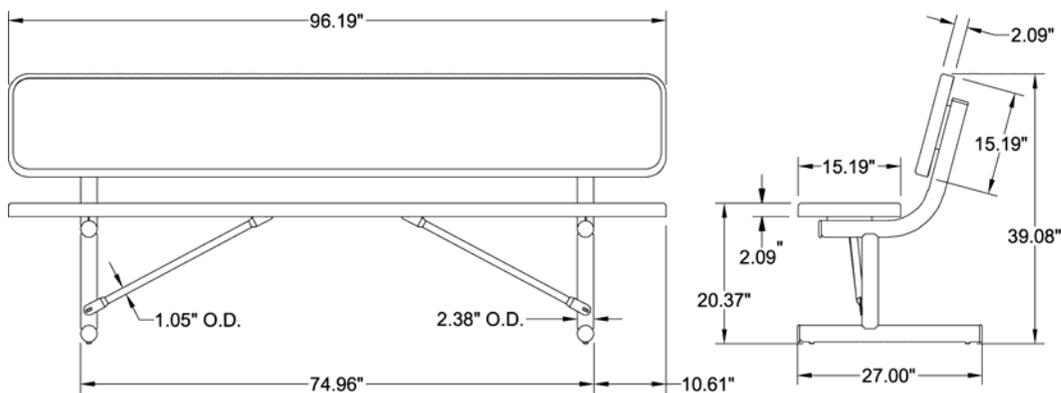

FusionGuard® -- process that ensures all components of under supports are coated with a zinc-rich primer. Under supports treated with FusionGuard resist rust four times longer than conventional powder coat finishes in independent testing.

Assembly

Bench requires minor assembly.

Availability

Ships in 10 business days on quantities of 6 or less.
