

FT20AGRBL

Essence 20 Gal. Ash/Trash Receptacle

specification sheet

Description

20-gallon ash/trash receptacle with rain bonnet top, 4 stone panels.

Technical Data

Non-rusting aluminum frame. Stone panels are .5" thick hand-trowelled stone and epoxy mounted on a hardboard substrate. Ashtray rain bonnet top and two side trash openings, providing easy ash/trash disposal.

Assembly

Receptacle ships fully assembled.

Availability & Cost

Ships in 3 business days on quantities of 6 or less.

Warranty

Five-year warranty from shipping date.

Maintenance

Maintenance-free. Won't corrode, crack, splinter, rot or rust. To clean, spray with power washer.

Options

Stone panels available in Riverrock, Alpine Red, Black Lustre, Golden Glo, Coffee Bean, or Pearl Grey. Frame available in painted Bronze or Silver anodized aluminum.

Included Items

Includes supply of Black Beauty sand substitute and a rigid, reusable plastic liner.

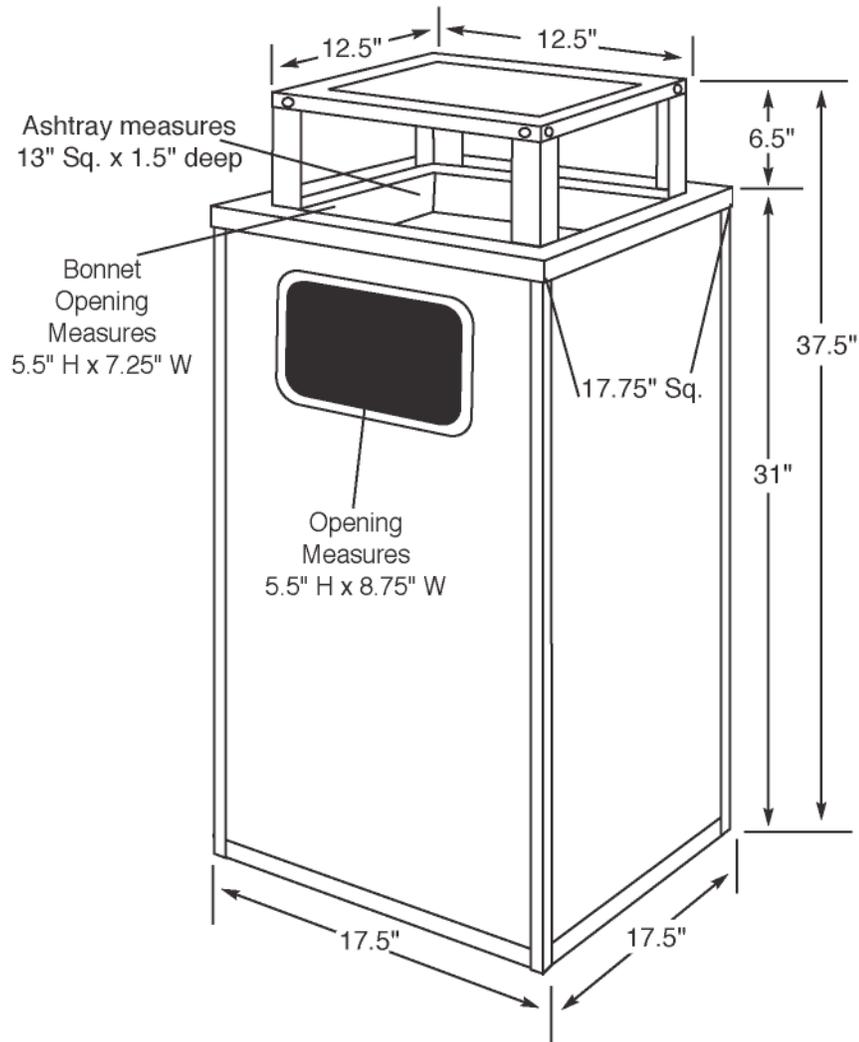

Related Information

Hold down kit is available.

Typical Specification

20-gallon ash/trash receptacle shall have a non-rusting aluminum frame with .5" thick stone and epoxy panels mounted on a hardboard substrate. Receptacle shall feature ashtray rain bonnet top, and two side trash openings, providing easy ash/trash disposal. Top shall lift off and have a 4" long security strap. Trash openings are trimmed in plastic TRIM-LOC.

Receptacle shall ship fully assembled for quick setup on site.
