24 Receptacles

A group of people are sitting on outdoor furniture in a park setting. A woman in a blue tank top and a grey cap is sitting on a bench in the foreground, looking towards a man in a yellow shirt who is sitting on a bench next to her. A man in a dark polo shirt and a cap is standing behind them. A woman in a light blue shirt is sitting on a bench to the left. A woman in a green shirt is sitting on a bench to the right. There are trees and grass in the background. A small metal cage with colorful balls is on the grass.

WHY FROG FURNISHINGS?

At Frog Furnishings, we pride ourselves on providing our customers with expert craftsmanship and lightning-fast service.

But our commitment to our products goes beyond just speedy delivery. We believe in creating products that last, ones that you can rely on for all your outdoor adventures. And we're not just talking about durability — we're also dedicated to environmental sustainability, so you can feel good about using our products.

LEAPING THE COMPETITION

FAST SHIPPING

Look for this symbol  to indicate products available for Quick Ship. Most of our Quick Ship items ship in 2 business days or less!

GREEN INITIATIVE

Frog's premium Resinwood plastic reduces landfill usage by converting plastic into premium quality furniture.

INDUSTRY LEADING QUALITY

Our state-of-the-art manufacturing processes, careful attention to detail, and unique engineering expertise, ensures the product you are receiving is one of the best.

MADE IN THE USA

Frog Furnishings' products are proudly made in Olathe, Kansas—centrally located to service all of our customers.

EXCEPTIONAL SERVICE

For over 25 years, Frog has taken great pride in providing a high level of service and sales support which continues to create loyal and long-term distributor relationships.

RESINWOOD

Our Resinwood plastic lumber contains no fillers, unlike many manufacturers who use sawdust to cut costs. You can trust that every Frog product is the highest quality.

- Resinwood's color is solid through the entire plank with no holes or voids.
- Resinwood's lumber contains recycled plastic that is 100% post-consumer which helps reduce landfill space. We help fight deforestation by using alternative materials to wood, so less trees need to be cut down.
- The raw materials used to make Resinwood are without contaminants, residues, or other foreign objects, to maximize durability and strength.
- Lastly, Frog's Resinwood undergoes a UV Stabilization phase to protect the color and ensure a long lasting brilliance. Custom colors, sizes and designs are available.

Benefits of Frog's RESINWOOD PLASTIC

FADE RESISTANT

UV protection keeps colors vibrant and rich.

LOW MAINTENANCE

Never needs to be painted, stained, or waterproofed, ever.

RECYCLED

All recycled content used is 100% post-consumer.

EASY TO CLEAN

A little soap and water goes a long way.

DURABLE

Won't rot, chip, splinter, crack, or peel and is impervious to insects.

CUSTOM OPTIONS

SIZES

Since our products are made right here in the USA, we are in the unique position to create custom sizes for many of our products. Extra long benches are often requested for playing fields. Custom length tables are perfect for large shelters.

COLORS

Showcase your school pride or business branding through our vast color selection and custom color options! Custom color planks are a unique way to carry a color theme or show branding throughout an environment.

DESIGN

Contact our team of design specialists today to bring your vision to life. A unique design is the perfect way for schools and businesses to make a statement.

ENGRAVING

Whether honoring a loved one or sharing a brand name or sentiment, our design specialists can personalize your furniture with engraving. We'll show you the options for font, color, and location to help you visualize the look before production.

COLOR FILL

For an additional charge, engraved lettering can be filled with a glossy resin inlay.

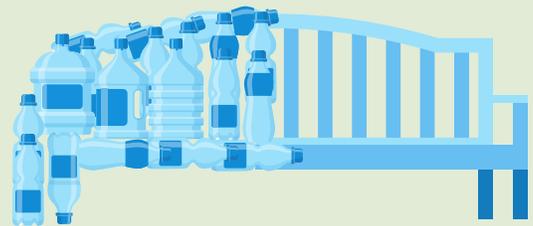

FROG'S RESINWOOD PLASTIC

Frog's Resinwood Plastic

LANDFILL TO LANDSCAPE

**21 MILK JUGS = 1 POUND
OF RECYCLED PLASTIC**

**3400 MILK JUGS =
ONE 6-FOOT PARK BENCH**

**6300 MILK JUGS =
ONE 6-FOOT PICNIC TABLE**

With thousands of products sold each year - that is a lot of plastic diverted from landfills!

BENCHES

Stop and enjoy the view from one of our stylish and durable benches. Made to withstand the wear and tear of high traffic areas and complement a variety of styles and landscapes, Frog's Resinwood is the perfect complement for your outdoor space. Virtually maintenance-free, Frog Furnishings benches will hold up to all weather elements and will not splinter, crack, or warp.

MOUNTING OPTIONS

Many of Frog's site furnishings are sturdy enough to be placed in service without using an in-ground or surface mount. However, all of our products are designed with easy mounting in mind.

IN-GROUND J-BOLT
J (PB 1999)

Frog's in-ground mounting kit is simple and effective. Simply attach our solid steel J-Bolts to the bottom of the plastic base, and set the base in concrete, quickcrete, or dirt.

Box includes 4.

SURFACE L-BRACKET
L (PB 1008)

Frog's surface mounting kits utilize a unique Poly-L bracket, which is pound for pound as strong as steel. Our Poly-L brackets are recommended for almost all products with plastic bases.

Box includes 2.

SURFACE U-BRACKET
U (PB 1998)

Our standard U-Brackets are recommended for surface mounting our galvanized frame picnic tables and other items with irregular shaped bases.

Kit includes four brackets, eight screws, and one concrete drill bit.

IN-GROUND T-MOUNT
T (PB 1997)

Our Resinwood plastic T-Mount is a heavy duty and maintenance-free option that allows for the receptacle to sit slightly above the ground.

Kit includes 1 mount.

SURFACE WEDGE ANCHOR
W (RMO 6020)

The 3/8" concrete wedge anchor is used to secure metal frames to concrete surfaces. This type of mount kit is excellent for deterring theft or movement of products.

Kit includes 4 anchors.

SURFACE ELITE BOLT
E (PB 1008JAY)

The Elite Bolt surface mount kit allows any product made with the Elite Series base to be secured to a concrete surface.

Kit includes 4 bolts and 2 bits.

SURFACE POST MOUNT
P (PB 1995)

The Surface Post mount can be used to secure any 4x4 post to a hard surface, such as concrete.

POLICIES & WARRANTY INFORMATION

FROG PRODUCT WARRANTY

Frog Furnishings guarantees all materials and workmanship for five (5) years on any product made from Resinwood. Frog Furnishings guarantees all materials and workmanship for one (1) year on other products. This guarantee excludes vandalism, improper use, corrosion caused by chemicals, and acts of God. Additionally, the warranty will be voided if products are moved using forklifts. Claims must be filed within the warranty timeframe from the original invoice date and must be accompanied by the original invoice or invoice number

ORDERING MADE EASY

Ordering products is easy! Simply reach out to Frog Furnishings through our website or by calling us. One of our sales representatives will follow up, answer your questions, and provide the latest pricing and shipping details for all Frog products.

Visit www.frogfurnishings.com/contact or call us at (913) 361-7611 to get started.

PLAZA SERIES

WHY FROG FURNISHINGS?

At Frog Furnishings, we pride ourselves on providing our customers with expert craftsmanship and lightning-fast service.

But our commitment to our products goes beyond just speedy delivery. We believe in creating products that last, ones that you can rely on for all your outdoor adventures. And we're not just talking about durability — we're also dedicated to environmental sustainability, so you can feel good about using our products.

WHY FROG?

LEAPING THE COMPETITION

FAST SHIPPING

Look for this symbol  to indicate products available for Quick Ship. Most of our Quick Ship items ship in 2 business days or less!

INDUSTRY LEADING QUALITY

Our state-of-the-art manufacturing processes, careful attention to detail, and unique engineering expertise, ensures the product you are receiving is one of the best.

GREEN INITIATIVE

Frog's premium Resinwood plastic reduces landfill usage by converting plastic into premium quality furniture.

MADE IN THE USA

Frog Furnishings' products are proudly made in Olathe, Kansas—centrally located to service all of our customers.

EXCEPTIONAL SERVICE

For over 25 years, Frog has taken great pride in providing a high level of service and sales support which continues to create loyal and long-term distributor relationships.

RESINWOOD

Our Resinwood plastic lumber contains no fillers, unlike many manufacturers who use sawdust to cut costs. You can trust that every Frog product is the highest quality.

- Resinwood's color is solid through the entire plank with no holes or voids.
- Resinwood's lumber contains recycled plastic that is 100% post-consumer which helps reduce landfill space. We help fight deforestation by using alternative materials to wood, so less trees need to be cut down.
- The raw materials used to make Resinwood are without contaminants, residues, or other foreign objects, to maximize durability and strength.
- Lastly, Frog's Resinwood undergoes a UV Stabilization phase to protect the color and ensure a long lasting brilliance. Custom colors, sizes and designs are available.

CUSTOM OPTIONS

SIZES

Since our products are made right here in the USA, we are in the unique position to create custom sizes for many of our products. Extra long benches are often requested for playing fields. Custom length tables are perfect for large shelters.

COLORS

Showcase your school pride or business branding through our vast color selection and custom color options! Custom color planks are a unique way to carry a color theme or show branding throughout an environment.

DESIGN

Contact our team of design specialists today to bring your vision to life. A unique design is the perfect way for schools and businesses to make a statement.

ENGRAVING

Whether honoring a loved one or sharing a brand name or sentiment, our design specialists can personalize your furniture with engraving. We'll show you the options for font, color, and location to help you visualize the look before production.

COLOR FILL

For an additional charge, engraved lettering can be filled with a glossy resin inlay.

FROG'S RESINWOOD PLASTIC

Benefits of Frog's RESINWOOD PLASTIC

FADE RESISTANT

UV protection keeps colors vibrant and rich.

LOW MAINTENANCE

Never needs to be painted, stained, or waterproofed, ever.

RECYCLED

All recycled content used is 100% post-consumer.

EASY TO CLEAN

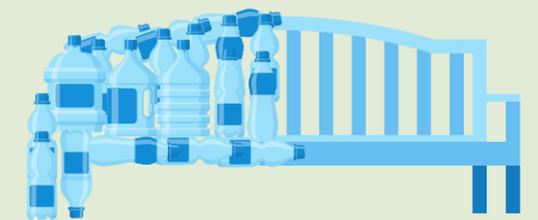

A little soap and water goes a long way.

DURABLE

Won't rot, chip, splinter, crack, or peel and is impervious to insects.

Frog's Resinwood Plastic LANDFILL TO LANDSCAPE

3400 MILK JUGS = ONE 6-FOOT PARK BENCH

6300 MILK JUGS = ONE 6-FOOT PICNIC TABLE

With thousands of products sold each year - that is a lot of plastic diverted from landfills!

BENCHES

Stop and enjoy the view from one of our stylish and durable benches. Made to withstand the wear and tear of high traffic areas and complement a variety of styles and landscapes, Frog's Resinwood is the perfect complement for your outdoor space. Virtually maintenance-free, Frog Furnishings benches will hold up to all weather elements and will not splinter, crack, or warp.

MOUNTING OPTIONS

Many of Frog's site furnishings are sturdy enough to be placed in service without using an in-ground or surface mount. However, all of our products are designed with easy mounting in mind.

IN-GROUND J-BOLT
J (PB 1999)

Frog's in-ground mounting kit is simple and effective. Simply attach our solid steel J-Bolts to the bottom of the plastic base, and set the base in concrete, quickcrete, or dirt.

Box includes 4.

SURFACE L-BRACKET
L (PB 1008)

Frog's surface mounting kits utilize a unique Poly-L bracket, which is pound for pound as strong as steel. Our Poly-L brackets are recommended for almost all products with plastic bases.

Box includes 2.

SURFACE U-BRACKET
U (PB 1998)

Our standard U-Brackets are recommended for surface mounting our galvanized frame picnic tables and other items with irregular shaped bases.

Kit includes four brackets, eight screws, and one concrete drill bit.

IN-GROUND T-MOUNT
T (PB 1997)

Our Resinwood plastic T-Mount is a heavy duty and maintenance-free option that allows for the receptacle to sit slightly above the ground.

Kit includes 1 mount.

SURFACE WEDGE ANCHOR
W (RMO 6020)

The 3/8" concrete wedge anchor is used to secure metal frames to concrete surfaces. This type of mount kit is excellent for deterring theft or movement of products.

Kit includes 4 anchors.

SURFACE ELITE BOLT
E (PB 1008JAY)

The Elite Bolt surface mount kit allows any product made with the Elite Series base to be secured to a concrete surface.

Kit includes 4 bolts and 2 bits.

SURFACE POST MOUNT
P (PB 1995)

The Surface Post mount can be used to secure any 4x4 post to a hard surface, such as concrete.

POLICIES

POLICIES & WARRANTY INFORMATION

FROG PRODUCT WARRANTY

Frog Furnishings guarantees all materials and workmanship for five (5) years on any product made from Resinwood. Frog Furnishings guarantees all materials and workmanship for one (1) year on other products. This guarantee excludes vandalism, improper use, corrosion caused by chemicals, and acts of God. Additionally, the warranty will be voided if products are moved using forklifts. Claims must be filed within the warranty timeframe from the original invoice date and must be accompanied by the original invoice or invoice number.

ORDERING MADE EASY

Ordering products is easy! Simply reach out to Frog Furnishings through our website or by calling us. One of our sales representatives will follow up, answer your questions, and provide the latest pricing and shipping details for all Frog products.

Visit www.frogfurnishings.com/contact or call us at (913) 361-7611 to get started.
