

**L1377S — Rendezvous 16 Gallon Half-Round Wall Recycler with Slot Opening**

**16-gallon steel slat wall recycler with recycler top, plastic liner and rubber feet**

**Material**

The 16-gallon recycler is 31.50" tall and is composed of 12-gauge slotted steel with a .75" gap vertical slotted pattern. The recycler top is made of 16-gauge steel and features a 2" x 9" slot opening. The top includes a factory-applied decal of the recycling logo with the word "paper". The decal is available in white or black lettering.

The receptacle is designed to be mounted to a wall or structure to prevent tipping or movement; mounting hardware is not included. The rubber feet are adjustable to assist in leveling the receptacle. The reusable plastic liner is made of black linear low-density polyethylene.

**Finish**

Steel slats are protected by the patented Fusion Advantage™ finish. The plastisol coating has an average thickness of .125" and is encapsulated with a richly tinted, high performance powder coating that won't rust, fade, peel, chip, crack, mold or mildew. The finish has been tested to the requirements of ASTM E1354 and determined to be in compliance with California Uniform Fire Code 1103.2.1.4.2.

Fade-resistant, powder coated steel top features a state-of-the-art primer proven to prevent rusting. Treated components exceed the industry standard by 34% in testing by independent sources.

**Color**

See website or sales representative for color choices.

**Assembly**

The receptacle ships fully assembled and ready for use. Wall mounting requires some assembly.

**Maintenance**

The product is virtually maintenance-free and requires only periodic cleaning with a sponge and a solution of mild detergent and water to remove surface dirt. Do not clean with solvent or petroleum base products.

**Warranty**

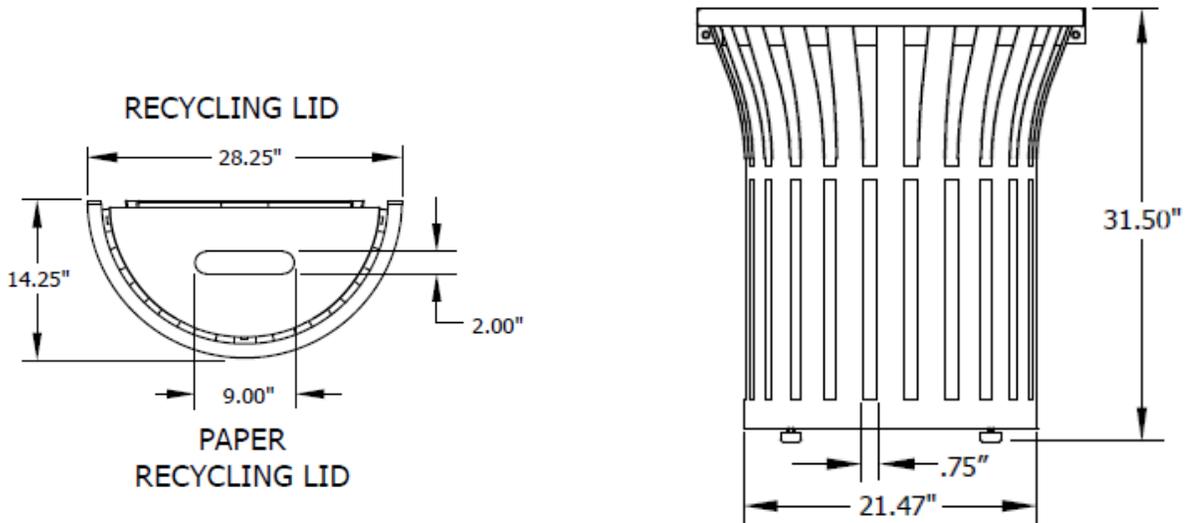

20-year limited structural warranty with 7-year finish warranty from the date of purchase. S

**Replacement Parts**

Black Plastic Liner
