

**L1508— Horizon 8' Contour Bench with Center Armrest**

**8' contour bench with slotted steel seat, cast iron ends and armrests and portable/surface mount legs**

**Material**

The 8' contour bench is composed of two 12-gauge steel slat seat sections with a .75" wide slot pattern. Bench features a center armrest for divided seating; each seat section is 47.12" long. The bench ends and armrests are made of cast iron. The bench seat will support 200 lbs. per linear foot.

The bench is designed to be portable for flexibility in placement or surface mounted using predrilled holes in the feet to prevent movement; mounting hardware is not included.

**Finish**

Steel slat seat is protected by the patented Fusion Advantage™ finish. The plastisol coating has an average thickness of .125" and is encapsulated with a richly tinted, high performance powder coating that won't rust, fade, peel, chip, crack, mold or mildew. The finish has been tested to the requirements of ASTM E1354 and determined to be in compliance with California Uniform Fire Code 1103.2.1.4.2.

Fade-resistant, powder coated steel legs, armrests and under supports features a state-of-the-art primer proven to prevent rusting. Treated components exceed the industry standard by 34% in testing by independent sources.

**Color**

See website or sales representative for color choices.

**Assembly**

The bench requires some assembly. Stainless steel assembly hardware is included.

**Maintenance**

The product is virtually maintenance-free and requires only periodic cleaning with a sponge and a solution of mild detergent and water to remove surface dirt. Do not clean with solvent or petroleum base products.

**Warranty**

20-year limited structural warranty with 7-year finish warranty from the date of purchase. S
