

**L2008— Metrix Trash Receptacle with Top Opening****16-gallon steel slat trash receptacle with contour top, plastic liner and rubber feet****Material**

The receptacle is 26.93" tall and is composed of 12-gauge slotted steel with a .63" gap vertical slotted pattern. The contour top is made of 16-gauge galvanized steel with a 9" diameter center waste opening. The container lifts up for easy waste removal.

The receptacle is designed to be portable for flexibility in placement or surface mounted using predrilled 0.31" diameter holes inside the base to prevent movement. The rubber feet are adjustable to assist in leveling the receptacle. The reusable plastic liner is made of high-density polyethylene.

**Finish**

Fade-resistant, powder coated steel features a state-of-the-art primer proven to prevent rusting. Treated components exceed the industry standard by 34% in testing by independent sources.

**Color**

See website or sales representative for color choices.

**Assembly**

The receptacle ships fully assembled and ready for use.

**Maintenance**

The product is virtually maintenance-free and requires only periodic cleaning with a sponge and a mild detergent and water solution to remove surface dirt. Do not clean with solvent or petroleum base products.

**Warranty**

20-year limited structural warranty with 7-year finish warranty against fading from the date of purchase.

**Replacement Parts**

Black Plastic Liner
