

**MIX2920B — Mixx 42" Square Bamboo Table****42" square table with bamboo planks, steel frame and legs, portable****Material**

The 41.60" square table features a table top that is composed of 0.75" x 3.5" (1" x 4" nominal dimensions) bamboo planks and has an optional 1.64" diameter umbrella hole in the center. This table meets federal ADA requirements.

The table frame and supports are made of 10-gauge steel. The table supports have a radiused edge for accurate frame-to-frame alignment for communal dining set-ups. The table is designed to be portable for flexibility in placement. Each foot features a stainless steel adjustable glide for leveling and to protect your floors. Matching stool is also available.

Mature exterior grade bamboo is selected from sustainably harvested sources and engineered into planks using low V.O.C. adhesives. Planks feature a Janka hardness rating of 1450 that is superior to teak. Bamboo has 20% more stability in climate and temperature changes than commonly used timber. Bamboo has a Class A fire rating—ASTM E 84 Surface Burning.

**Finish**

Fade-resistant, powder coated steel components feature a state-of-the-art primer proven to prevent rusting. Treated components exceed the industry standard by 34% in testing by independent sources.

Bamboo planks feature a UV-resistance stain.

**Color**

See website or sales representative for color choices.

**Assembly**

The table requires some assembly; stainless steel assembly hardware is included. The table top ships pre-assembled. Leveling foot glides may require adjustments.

**Maintenance**

See annual maintenance program.

**Warranty**

10-year limited structural warranty on bamboo with annual maintenance program from the date of purchase. See full details on multi-year warranties for components at

**Accessories**
