

MIX2920R — Mixx 42" Square Recycle Plastic Table**42" square table with recycled plastic planks, steel frame and legs, portable****Material**

The 41.60" square table features a table top that is composed of 0.75" x 3.5" (1" x 4" nominal dimensions) recycle plastic planks and has an optional 1.64" diameter umbrella hole in the center. This table meets federal ADA requirements.

The table frame and supports are made of 10-gauge steel. The table supports have a radiused edge for accurate frame-to-frame alignment for communal dining set-ups. The table is designed to be portable for flexibility of placement. Each foot features a stainless steel adjustable glide for leveling and to protect your floors. Matching stool is also available.

The planks are made of 95% recycled content by weight and are impervious to moisture and corrosion, do not require the application of sealants or preservatives, and will never need painting or staining throughout the product's life.

Finish

Fade-resistant, powder coated steel components feature a state-of-the-art primer proven to prevent rusting. Treated components exceed the industry standard by 34% in testing by independent sources.

Color

See website or sales representative for color choices.

Assembly

The table requires some assembly; stainless steel assembly hardware is included. The table top ships pre-assembled. Leveling foot glides may require adjustments.

Maintenance

The product is virtually maintenance-free and requires only periodic cleaning with a sponge and a solution of mild detergent and water to remove surface dirt. Do not clean with solvent or petroleum base products.

Warranty

20-year limited structural warranty on recycled plastic from the date of purchase. See full details on
