

**Material**

The 30-gallon receptacle is composed of 2" thick cast aggregate. The receptacle includes rubber feet and a non-rusting flat aluminum open top. The open aluminum top lifts off for easy waste disposal. The receptacle top also includes a 14" web security strap.

The reusable plastic liner is made of black high-density polyethylene.

The receptacle is designed to be portable, allowing for flexibility in placement.

**Finish**

The aggregate is cast in a durable epoxy resin that remains clear and bright throughout its life.

**Color**

See website or sales representative for color choices.

**Assembly**

The receptacle arrives fully assembled for immediate use on site.

**Maintenance**

Maintenance-free. To clean, spray with a power washer.
