

Material

The 32-gallon receptacle is composed of 2" thick cast aggregate. The receptacle includes a durable plastic ashtray top, a plastic liner, and rubber feet.

The top features a 1.5" deep by 14.00" square ashtray made of high-density polyethylene that will not chip, crack or dent. It comes with a supply of black beauty sand substitute, and includes a 14" web security strap.

The reusable plastic liner is made of black high-density polyethylene.

The receptacle is designed to be portable, allowing for flexibility in placement.

Finish

The aggregate is cast in a durable epoxy resin that remains clear and bright throughout its life.

Color

See website or sales representative for color choices.

Assembly

The receptacle arrives fully assembled for immediate use on site.

Maintenance

Maintenance-free. To clean, spray with a power washer.
