

**Material**

The ash urn is made of cast aggregate and features a formed aluminum ashtray. A supply of Black Beauty sand substitute is included. The base of the urn has solid rubber feet to protect surfaces and is portable for flexibility in placement. The urn is 30" tall.

**Finish**

The aggregate is cast in a durable epoxy resin that remains clear and bright throughout its life.

**Color**

See website or sales representative for color choices.

**Assembly**

No assembly is required, the urn arrives assembled and ready for placement and use on site.

**Maintenance**

Maintenance-free. To clean, spray with a power washer.
