

**RCPWOT
WAINWRIGHT RECEPTACLE**
45-gallon receptacle, recycled plastic
planks, plastic liner, and open top

Material

The 45-gallon receptacle is composed of .75" x 3.5" (1" x 4" nominal dimensions) recycled plastic slats which are supported by a non-rusting powder coated extruded aluminum frame.

The receptacle features a 14-ga steel top with an 11" diameter opening for easy trash disposal. The top and steel support components are protected with FusionGuard®. The top lifts off for easy waste removal. The receptacle top also includes dual stainless steel security cables.

The reusable plastic liner is made of black high-density polyethylene.

The receptacle is designed to be portable, allowing for flexibility in placement and features rubber feet to protect the floor.

Finish

The recycled plastic slats are impervious to moisture and corrosion, do not require the application of sealants or preservatives, and will never need painting or staining throughout the product's life.

The powder coated aluminum frame is non-rusting.

Color

The receptacle is available with Cedar colored slats. The aluminum frame and steel top are available in Pewter and Textured Black.

Assembly

The receptacle arrives fully assembled for immediate use on site.

Maintenance

The product is virtually maintenance-free and requires only periodic cleaning with a sponge and a solution of mild detergent and water to remove surface dirt. Do not clean with solvent or petroleum based products.

Warranty

This product is covered by a 20-year limited structural warranty with a 5-year finish warranty from the date of purchase.

Replacement Parts

Black Plastic Liner **R-P48PLR**
