SKU:M5535SMBU

Collection: Site Furnishings

### SPECIFICATIONS

Height (in)	40.5
Width (in)	14.5
Weight (lb)	24

### DESCRIPTION

This Smoker's Bin is a must to reduce cigarette debris from your property. The 4" steel tube is fire-safe and is supported by a weighted steel base. The bin features a disposal opening with snuffer plate for extinguishing the cigarette. The top is key-locked to secure the contents and makes emptying the bin very easy. The bin has a very durable powder coat finish and comes with drop in anchor bolts for surface mounting.
