DESCRIPTION

The Fountainhead Square Side Table adds a layer of versatility to outdoor lounging and seating areas. This mixed materials table features a 17 slatted table top made of recycled plastic HDPE (High-Density Polyethylene) that adds all the texture and warmth of natural wood, but (unlike wood) it's low maintenance and impervious to the outdoor elements. The frame is constructed of solid aluminum for strength and weight. Customize with our selection of three exclusive wood colors and 26 powder coated frame finishes.
