DESCRIPTION

The Fountainhead Square Dining Table is ideal for outdoor cafe or dining areas. This mixed materials table features a 40 slatted table top made of recycled plastic HDPE (High-Density Polyethylene) that adds all the texture and warmth of natural wood, but (unlike wood) it is low maintenance and impervious to the outdoor elements. The frame is constructed of solid aluminum for strength and weight. It comfortably seats up to 4 guests. Customize with our selection of three exclusive wood colors and 26 powder coated frame finishes. Pair with our Fountainhead Dining Chairs.
