DESCRIPTION

The Nexus M77040D Waste Receptacle is created from an outdoor resin weave material in a Driftwood weave color woven over a powder coated aluminum frame. What an elegant way to rid the environment of unwanted rubbish. The Nexus Waste Receptacle is perfectly at home when used among other Nexus collection pieces, of course, but it also can serve as a useful accent pieces with any collection of outdoor furnishings. Or, just simply use it as a stand alone waste receptacle anywhere such a service is needed. This unit includes a 32 gallon waste liner for easy capture and removal of trash.
