Height (in)	23.25
Seat Height (in)	8.25
Width (in)	22.75
Depth (in)	33
Weight (lb)	9

### DESCRIPTION

The Oasis Crossweave Nesting Sand Chair utilizes virgin vinyl strap seating material secured to a commercial grade aluminum frame. The round aluminum extrusion that forms the frame of the Oasis Crossweave Nesting Sand Chair is finished in any of Texacraft's many powder coated colors. Use poolside or on the beach as the sled base frame helps eliminate the frame from burying too deep into the sand. Easy to maintain, simply rinse off or scrub with a mild soap solution and the furniture will remain new looking for years of practical

use. The sand chair stacks for easy storage when not in use.
