DESCRIPTION

The M4505CW Scandia Crossweave Bar Height Stool is made from a flat oval aluminum extrusion and can be finished in any of Texacraft's many powder coat finishes. The vinyl crossweave seat bucket is comfortable from the forgiving nature of the virgin vinyl strapping available in an one of Texacraft's 31 vinyl colors. The bar height stool is perfect when you need a little boost in height to see the view or just to be perched a little higher for casual comfort.
