DESCRIPTION

The M36008 Southern Cay Ottoman is made of heavy-walled aluminum extrusions and can be finished in any of Texacraft's beautiful powder coat finishes. The M36008 is designed for use with the M36002 Lounge chair but is welcomed for use with any of the other deep seating items in this collection. Choose from any of Texacraft's beautiful cushion fabrics for the perfect look. You can even use the ottoman as extra seating.
