DESCRIPTION

The M35004 Southern Cay Lounge chair with arms is made of heavy-walled aluminum extrusions and can be finished in any of Texacraft's beautiful powder coat finishes. The Contemporary styling of the M36004 Lounge Chair is designed for beauty and comfort. Although not designed to be joined with other modular components of the Southern Cay modular collection, this piece is designed as a stand alone furniture piece to be used amongst the other modular items in the collection.
