

T2267B – Tuscany 42" Bamboo Table**42" square table with bamboo planks and steel frame and legs****Material**

The table is composed of 0.75" x 3.5" bamboo table top planks with 14-gauge steel frame and legs. Table features a square table top that is available with an optional 1.64" diameter umbrella hole in the center. The table is federally ADA-compliant; wheelchair accessible from two sides opposite each other.

The table frame and legs are made of square tubular steel; legs feature levelers to adjust for uneven surfaces.

Mature exterior grade bamboo is selected from sustainably harvested sources and engineered into planks using low V.O.C. adhesives. Planks feature a Janka hardness rating of 1450 that is superior to teak. Bamboo has 20% more stability in climate and temperature changes than commonly used timber. Bamboo has a Class A fire rating—ASTM E 84 Surface Burning.

Finish

Fade-resistant, powder coated steel frame features a state-of-the-art primer proven to prevent rusting. Treated components exceed the industry standard by 34% in testing by independent sources.

Bamboo planks feature a UV-resistant stain.

Color

See website or sales representative for color choices.

Assembly

The table requires some assembly. The table top ships pre-assembled. Stainless steel assembly hardware is included.

Maintenance

See annual maintenance program.

Warranty

10-year limited structural warranty on bamboo with annual maintenance program from the date of purchase.

**Accessories**
