

TL35DT — Madison Bamboo Receptacle with Open Hood Top**35-gallon receptacle with bamboo slats, open hood top, plastic liner and rubber feet****Material**

The receptacle is 39.24" tall and is composed of 5" x 2.5" bamboo slats and 12-gauge steel side panels. The bamboo slats are attached to three inner steel bands for maximum support.

The top is made of 14-gauge galvanized steel and features a 6" tall and 15.33" wide waste opening on each side. The top includes a 14" web security strap and lifts off for easy waste disposal.

The receptacle is designed to be portable for flexibility in placement or surface mounted using pre-drilled holes inside base to prevent movement. The rubber feet are adjustable to assist in leveling the receptacle. The reusable plastic liners are made of high-density polyethylene. Mounting hardware is not included.

Mature exterior grade bamboo is selected from sustainably harvested sources and engineered into slats using low V.O.C. adhesives. Slat feature a Janka hardness rating of 1450 that is superior to teak. Bamboo has 20% more stability in climate and temperature changes than commonly used timber. Bamboo has a Class A fire rating—ASTM E 84 Surface Burning.

Finish

Fade-resistant, powder coated steel components feature a state-of-the-art primer proven to prevent rusting. Treated components exceed the industry standard by 34% in testing by independent sources.

Bamboo slats feature a UV-resistant stain.

Color

See website or sales representative for color choices.

Assembly

The receptacle ships fully assembled and ready for use.

Maintenance

See annual maintenance program.

Warranty

10-year limited structural warranty on bamboo with annual maintenance program from the date of purchase.
