

## TSX BALANCE RECEPTACLE

### 30-gallon expanded steel and cast aggregate receptacle with reusable liner

#### Replacement Parts

Black Plastic Liner **R-TSXPLR**

#### Accessories

Hold Down Kit **PCSHLD**

#### Material

The 30-gallon receptacle is comprised of front and back panels of 3/4 #9 expanded steel with a diamond shaped pattern. The steel panels are plastisol coated with an average thickness of .125" and finished with a high-gloss patented TopCoat®. The side panels are made of 2" thick cast aggregate. The receptacle includes a durable plastic lid and rubber feet.

The lid is made of high-density polyethylene that will not chip, crack or dent. The lid features a 12" diameter center opening for easy waste disposal and includes a 14" web security strap.

The reusable 30-gallon plastic liner is made of black high-density polyethylene. The receptacle is designed to be portable, allowing for flexibility in placement.

#### Finish

The expanded steel panels feature a patented TopCoat, high-gloss finish which resists UV deterioration, mildew, staining and fading.

The TopCoat finish has been tested to the requirements of ASTM E 1354 and is determined to be in compliance with California Uniform Fire Code 1103.2.1.4.2.

The aggregate is cast in a durable epoxy resin that remains clear and bright throughout its life.

#### Color

Aggregate panels are available in Alpine Red, Black Lustre, Coffee Bean, Golden Glo, Mica, or Riverrock.

Expanded steel panels are available in Black, Brown, or Green.

Plastic lids are available in Black or Chocolate.

#### Assembly

Receptacle ships fully assembled for immediate use on site.

#### Maintenance

Maintenance-free. To clean, spray with a power washer.

#### Warranty

This product is covered by a 20-year limited structural warranty with a 5-year finish warranty from the date of purchase.
