

WR20AGBAC
ESSENCE RECEPTACLE
 20-gallon bonded aggregate panel
 receptacle with rounded corners,
 covered ashtray top, and bag holder

Material

The 20-gallon receptacle is composed of .5" thick aggregate and epoxy bonded to a hardboard substrate and supported by a non-rusting aluminum frame. The frame and top feature wide rounded corners. The receptacle features two side openings for easy trash disposal and includes a high density polyethylene covered ashtray top. The ashtray top lifts off for easy trash removal. The receptacle comes with a supply of black beauty sand substitute. The top also includes a 14" web security strap.

The unit includes a built in trash-bag holder. A reusable plastic liner may be purchased separately.

The receptacle is designed to be portable, allowing for flexibility in placement.

Finish

The aggregate is cast in a durable epoxy resin that remains clear and bright throughout its life.

Color

See website or sales representative for color choices.

Assembly

The receptacle arrives fully assembled for immediate use on site.

Maintenance

Maintenance-free. To clean, spray with a power washer.
